Special summer outings for the children from the Sanctuary Orphanage, Romania

Each summer we take the thirty children from the Sanctuary Orphanage out of their city to have fun elsewhere. This year we took them to a water park twice and spent a week in the mountains. We also included pizza parties, go-cart racing, and nice dinners. One boy spoke about his first go-cart ride exclaiming, "It was the highlight of my year!" Thank you for your support which enables us to give these children memories to treasure.

"God..... you are a helper of the fatherless" (Psalm 10:14)

you can't do this in the city

balls, slides, fun!

we have pizza parties every year

dinner on a pirate ship

above the clouds at 6,000 feet

cooling off!

plenty of diving

real astroturf - the boys loved it

we really did drive up that road

youth Bible study in Romania

Ed taught the Bible 4-5 times each week in several different Romanian churches for two months this summer

Your gifts paid for three girls from a Romanian orphanage to go on a cross-country tour with a music group to sing within churches and cultural halls

Ioana, our third college graduate!

A few years ago in Romania we started a fund to help send orphans and disadvantaged children to college. These children,

without our help, would not have the opportunity to go to college. Ioana is the third person to graduate through our program. She writes, "All I can say is thank you. I graduated, finally. When I was standing there ready to receive my diploma, all that came to my mind was, 'I'm here because of God; really, He is amazing!'"

storing fruits and vegetables for the winter

supporting a Romanian orphanage

Your gifts allow us to support the entire food and medical expenses each month for thirty children at the Sanctuary Orphanage in Romania

A new way to help
Each year we plan to buy books, notebooks, and uniforms for the orphanage children to use as they attend a local public school

Romanians are experts at buying fruits and vegetables in the summer when they are cheap, and storing them for the winter when they are expensive. This year we bought a total of 3,500 pounds of eggplants, peppers, tomatoes, onions, potatoes, etc. for the Sanctuary Orphanage. The staff and children worked hard to prepare the food for the winter months.
