Food for the Winter for Romanian Orphanage

Newsletter of Ed & Karen Rosella - fall 2013

Romanians are experts at buying vegetables in the summer, when they are cheap, to store them for the winter when they are expensive. Each year we provide funding to help the Sanctuary Orphanage buy 3,500 pounds of vegetables. The staff and children at the Sanctuary Orphanage work hard to cook, jar, and freeze the food. Their efforts help to dramatically reduce the orphanage's food expenses.

"Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?"
Matthew 6:26

Message from Attila Pal (Director Sanctuary Orphanage)

Thank you sooo much! We appreciate your help! Giving us money to buy vegetables and preserve them for winter is a great help for us. In winter time, vegetables are very expensive, and we don't have money to buy them. We appreciate your donation and your heart for God's work and for our children. God bless you!

Sandy - Our House One Year Later

By Ed Rosella

We are so thankful to God and to the many people who helped us rebuild after the flood. It has been amazing and humbling to receive the kindness of strangers, family, and friends. We are about 90% finished with phase one of rebuilding. We are waiting to begin phase two; which is the raising of our home. There are thousands of homes that need to be raised in New Jersey, so it may take time before we move back home. All in all, God has been good and people have been wonderfully kind!
