

Alesia - Newest Child at Sanctuary Orphanage, Romania

By Attila Pal (Director)

Alesia was born on October 27, 2014. She came into our orphanage family on October 1, 2018. Alesia is a very sweet girl and very intelligent. We are so blessed to have her and to be a part of her life.

Alesia has been through a lot at her fragile age, but we know that God has a great future for this little girl. Her mother went to prison for a couple years. Alesia was left to live with her father. He was living with his mother and they didn't have good living conditions to take care of Alesia. They both were drinking and aggressive towards her.

After several visits from Child Protection, Alesia was placed at the Sanctuary Orphanage. We started to take good care of her. She is healthy, but we do have a lot of work to do with her because she doesn't know how to count, her colors, and other basic things.

During her first few days at the Sanctuary Orphanage, Alesia had a hard time learning how to use the bathroom, but now she is doing really well. She is a very sociable person, and she gets along well with the other kids. We were actually very surprised at how good and fast she adjusted.

Alesia goes to kindergarten and loves it. She loves to go to church and sing. Everyone loves Alesia. She is very sweet.

Please pray for Alesia and for us. Pray that God strengthens her and shows her what a bright future He has for her. Thank you so much for helping us financially to take care of Alesia and the other children! We are so blessed with this little girl! We thank Jesus that he brought Alesia into our lives!
